

A scenic landscape painting of a mountain trail. In the foreground, two hikers are walking on a dirt path. One hiker is wearing a yellow shirt and a wide-brimmed hat, and the other is wearing a dark jacket and a blue cap. The path is surrounded by lush green vegetation and large, reddish-brown boulders. In the background, there are tall, thin evergreen trees and a range of majestic, snow-capped mountains under a blue sky with soft, white clouds. The overall atmosphere is peaceful and natural.

## Planning ahead for reopening:

Physical indoor church services have now resumed during Phase 2, with 25% of building capacity allowed.

Based on the IBC, occupancy capacity for Skykomish Community Church sanctuary would be 141 individuals (assuming 7sq.ft./ person) 25% of that amount would mean we can have 35 individuals during Phase 2. If for any reason we go over that amount, we could open the north windows and add three more family units to the ramp.

Look carefully then how you walk, not as unwise but as wise, (ESV)

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.
